Thanks Pawels and Marius

**Thanks this University
for hosting ESUG**

This year

New format

summer school + conference + workshop

82 registered participants

15 student volunteers

A crazy program

About the “bonnet” High quality wool

The producer told me that you can wash it

Tuesday
Award competition
17:30 - 19:30

Show us your project

Do not miss the slots

Nahuel

???

We forgot the badges!

**Your job:
Talk to everybody**

**Talk to student
volunteers**

Coding is possible

...

there is a room for it

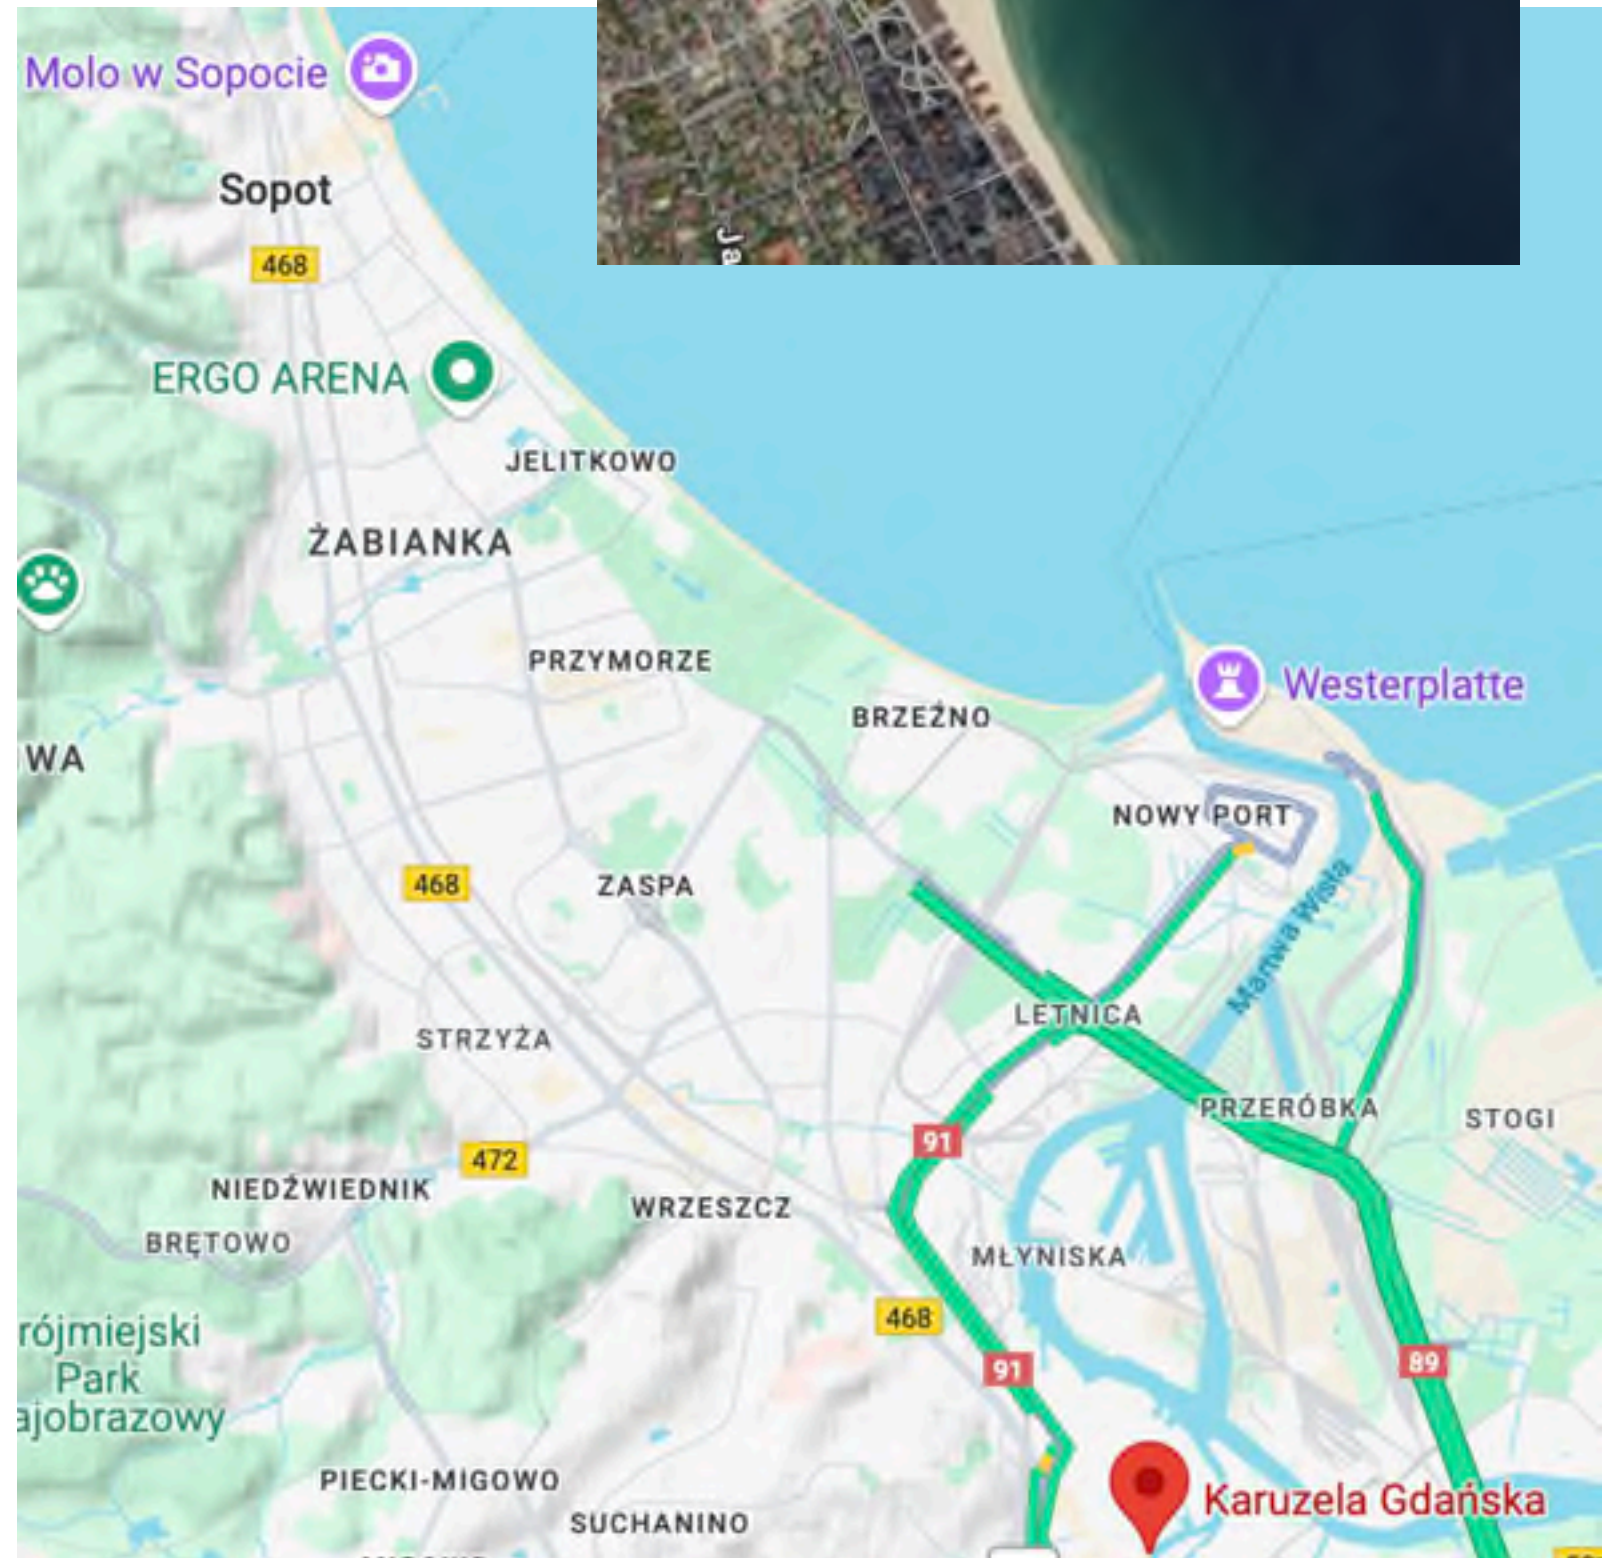

**Social event
Thursday**

**we leave from here 15:15
sharp**

If weather is ok..

Gdansk from the sea

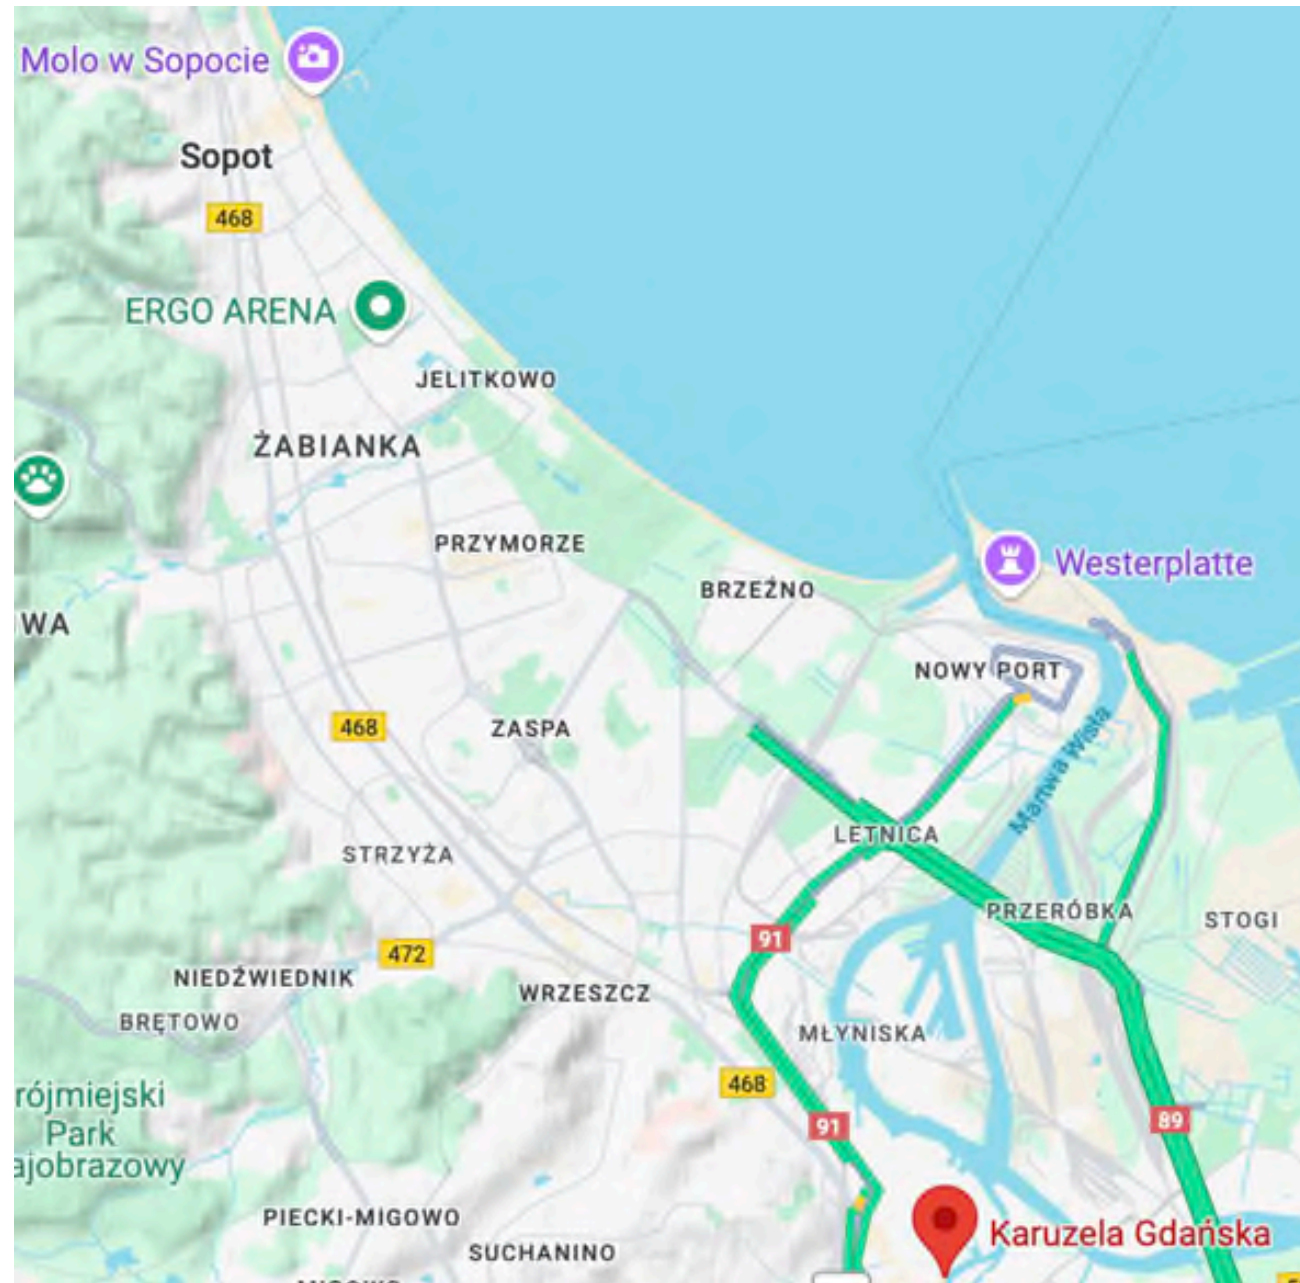

- by boat to Sopot
- From Karuzela

If weather is not ok..

We will go to Sopot by train

- After a city tour

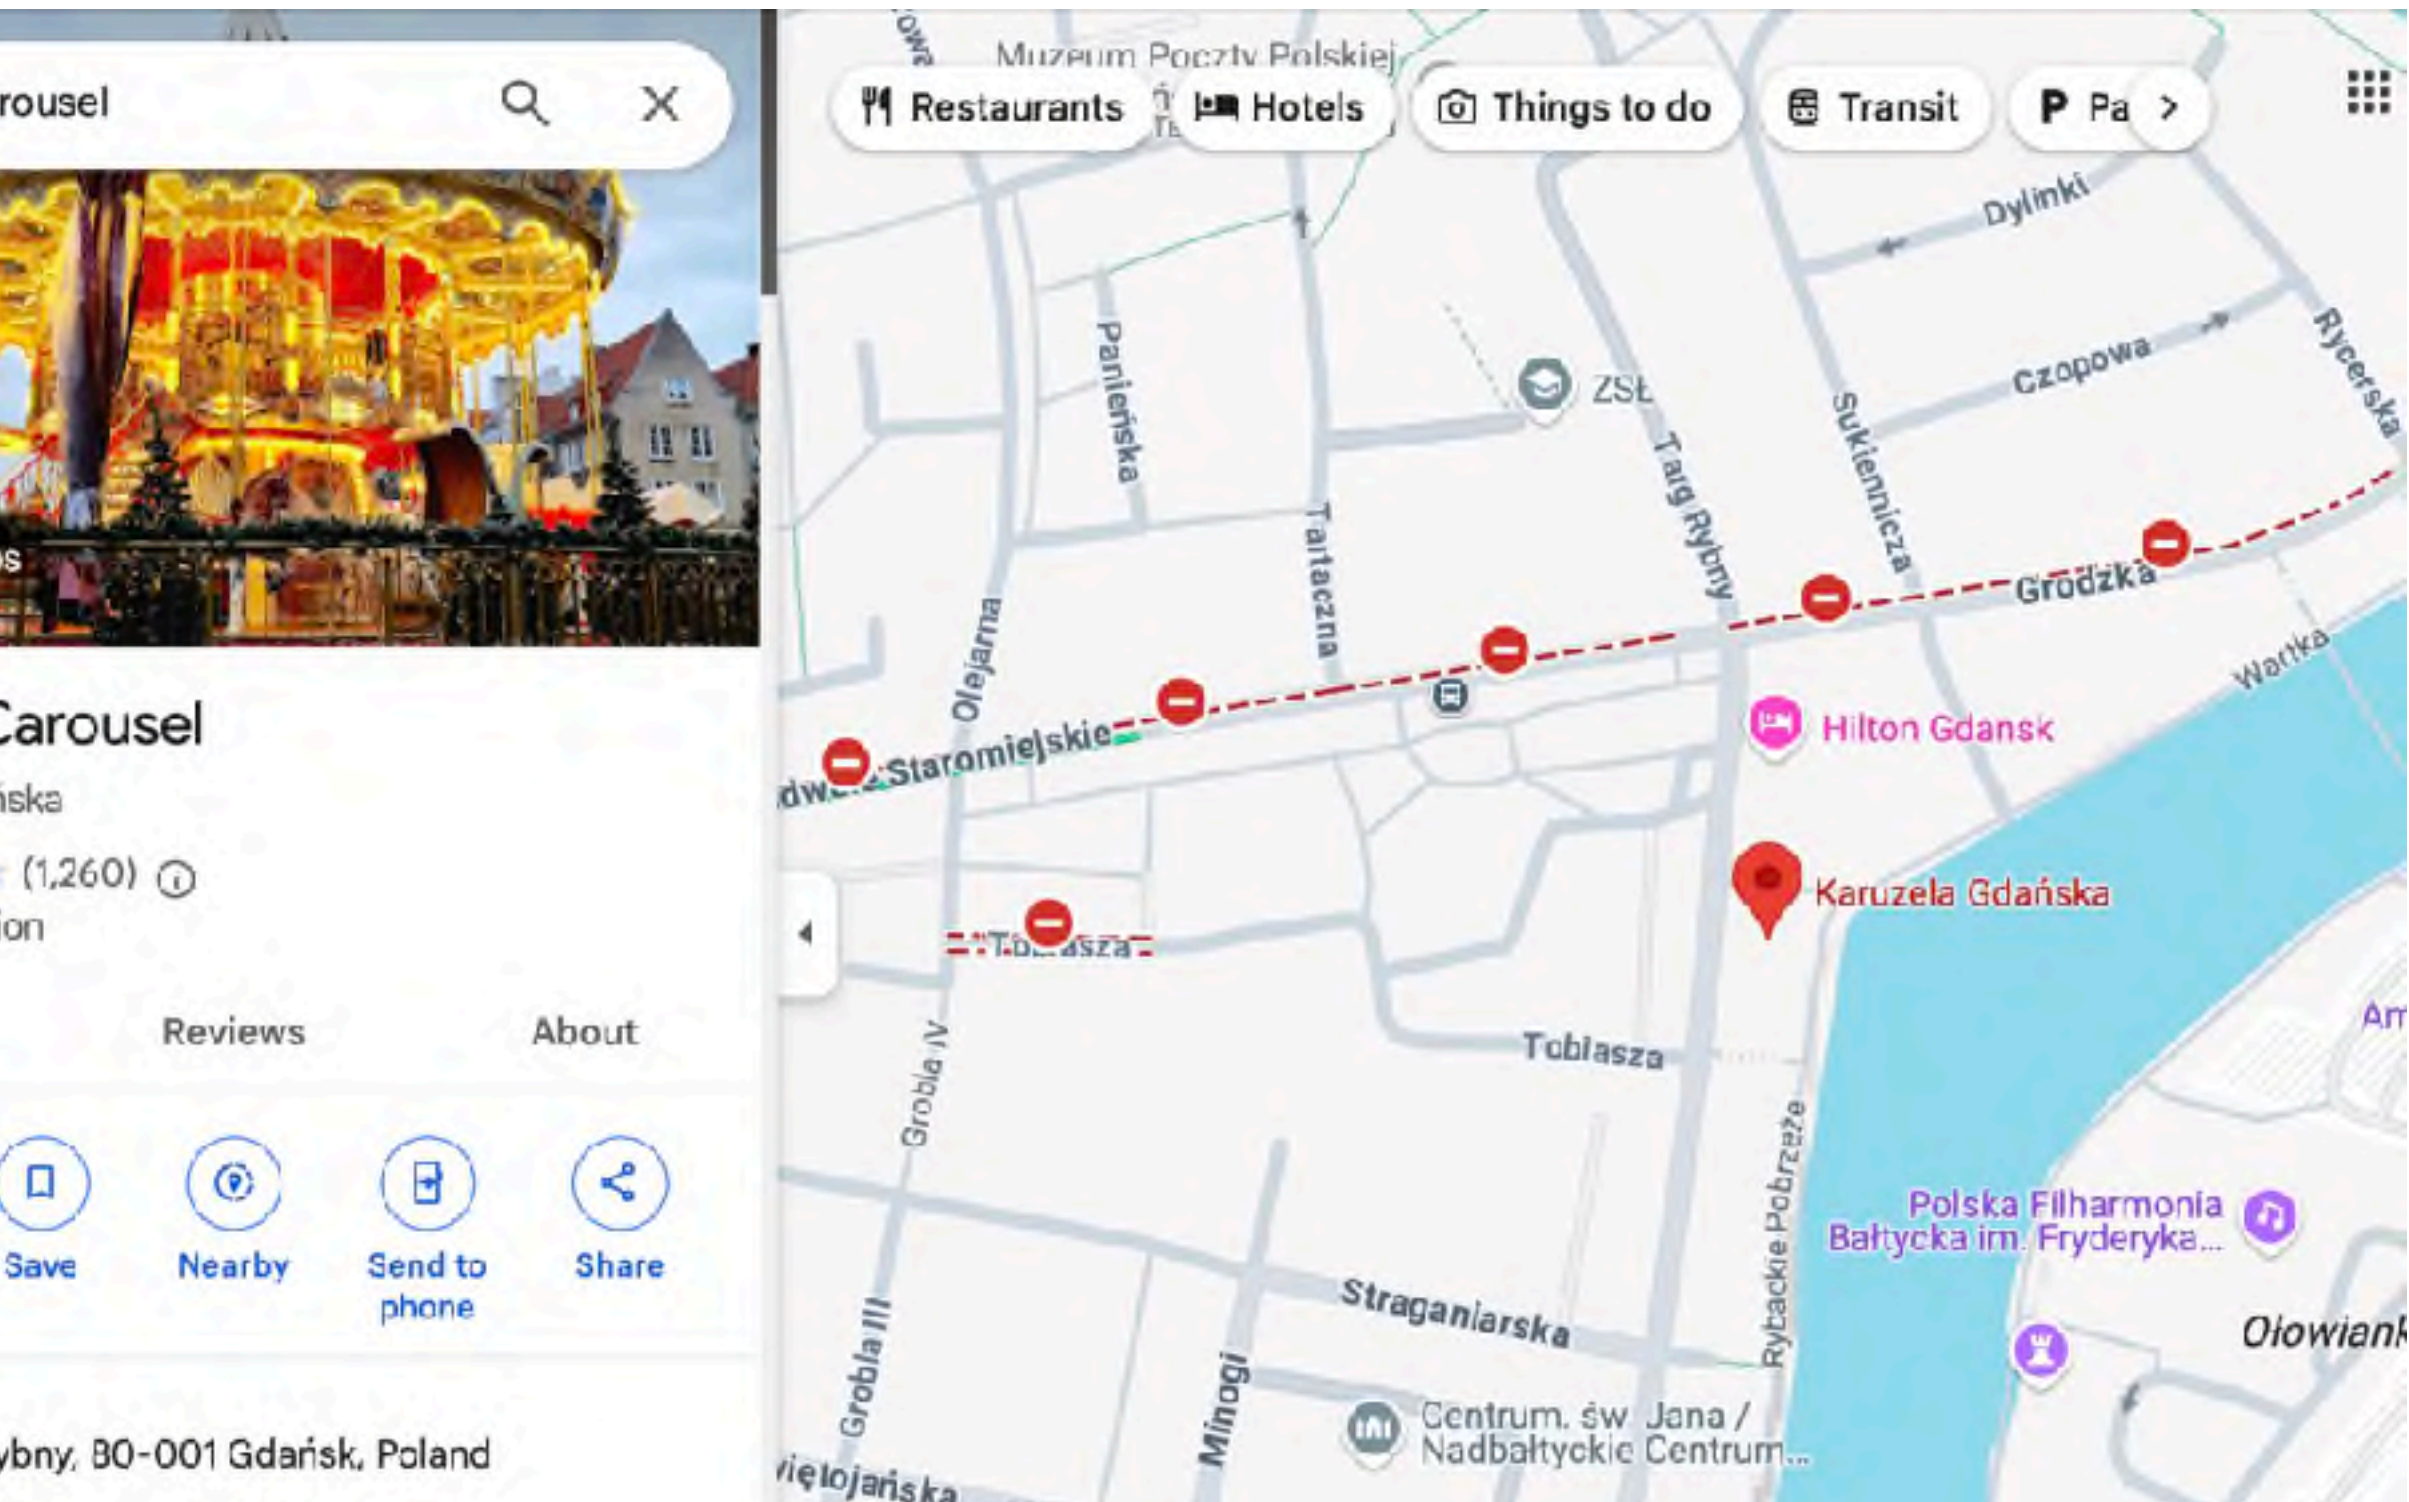

Spot in case to sync before the boat

Karuzela Gdanska @ 16:45

Spot in case to sync before the boat

Karuzela Gdanska @ 16:45

If you...

- have questions
- have ideas
- want to help ESUG
- Just talk to us

ESUG 2026?

- If you have contact with universities... we would love to get more academics involved in our community
- Bulgaria?
- Ireland?
- Spain?
